

RGM MAT

(Material access tool)

THINGS WHICH WE WANT TO INCLUDED:

- Starting page(acts as a login page)
- All notes (computer generated , class notes, other university notes)
- Best YouTube links according to syllabus
- Available library books along with barcodes
- Student LinkedIn profiles of different branches who got placed (optional)

STARTING PAGE

Our starting page includes the student Reg id based on which it will be decided
On which branch the student want to go

Every reg num in RGM includes 4 things

- 1) Year joined
- 2) College code
- 3) University code
- 4) BRANCH CODE ---MAIN
- 5) Roll number

EX: 20 09 1A 32 26

BASED ON THE JAVA SCRIPT CONDITION IF THE STUDNT
ENTERS NUMBER 32 HE WILL BE REDIRECTED TO DATA
SCIENCE BRANCH

04-ece, 34- BS and so on..

DATA

According to the website the student is going to have these things like

- 1) 1st year – Onclick (all the things would be displayed witch includes notes etc,,)
- 2) 2nd year
- 3) 3rd year
- 4) 4th year

NOTES

- We will be adding three types of notes
 - 1) computer generated
 - 2) class work
 - 3) other university notes
- In the second phase
 - 1) best youtube links (this would be based on our experience)
 - 2) library books(based on the availability)
- In the last phase
 - Each branch students who got placed in different companies will be displayed along with their LINKEDIN profile(only with their permission)
 - BY THIS WE CAN DEVELOP A GOOD MINI ALUMINI FOR DIFFERENT BRANCHES

PRIMARY GOALS

To save student time

AREAS OF FOCUS

COLLECTING DATA

- DATA ALSO INCLUDES NOTES ,
ALONG WITH **PERVIOUS MID AND
SEM QUESTION PAPERS**
- Any other supporting material will also
be provided if possible

MAINTAINING THE DATA

- BY THE TIME WE LEAVE OUR
COLLEGE THIS **PROJECT WILL BE
PROVIDED TO OUR JUNIORS** WHO
ARE ELGIBLE TO MANAGE THIS
PROJECT
- BY THIS ANY NEW NOTES AND NEW
QUESTION PAPERS WOULD BE
UPDATED IN THE SITE

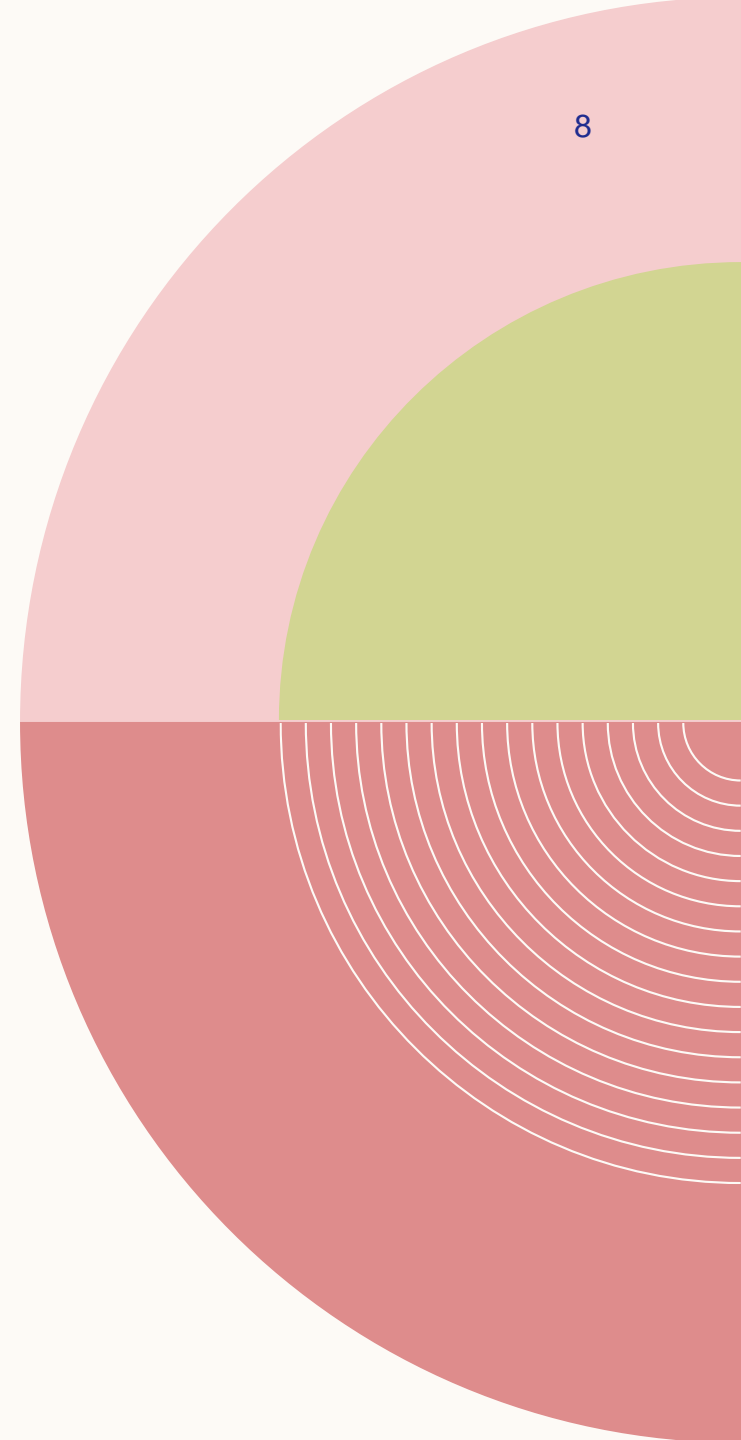

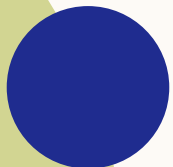

SUMMARY

We thought of this idea based on the problem we faced during our examinations and pandemic time.

IN the year 2020 new specialized branches are evolved so we couldn't get the NOTES on time and we don't know about the pattern of the questions asked.

So make this situation easier we are planning to do this project.

IF POSSIBLE SAME INTERFACE WOULD BE GENERATED TO ALL THE 3 ENGINEERING COLLEGES AVAILABLE IN NANDYAL
